Snapshot 2012 Teenagers International Photographic Prize

This is an annual, open photographic competition which provides a unique forum for the exhibition of photographs made by teens from around the globe. Prize winners will be announced on opening night.

Framed

This photographic exhibition explores elements of modernism considered through notions of the garden and its relationship to artistic practice. Now in its third year, *Framed* provides a professional development opportunity for Advanced Diploma students studying at the Nepean Art and Design Centre in western Sydney.

Screen Room – Fan Fiction

Guest Curator Naomi Oliver has selected video pieces made by people who currently base their creative work on the Internet, for their own pleasure, to share or to make others laugh. The work of these five artists examines fandom, obsession, and sheer passion for the medium of video and animation. Artists Kelsey Fox, Richard Gurney, Tim Hilton and Jodie Whalen.

The Pick

The Pick is a program of exhibitions presenting artwork from our Collection as selected by people of different backgrounds, ages, professions and attitudes to art. This 'pick' is by the Advanced Diploma students exhibiting in *Framed*.
